

PEDAL -> Portobello Transition Town is recruiting 3 workers to run a new project aiming to reduce the collective carbon footprint of Portobello and to develop local resources to meet the needs of our community.

1. Project Manager: £33,900 pa, 35 hours per week

An experienced manager with a proven track record in fund raising and skills in financial management, you will have excellent interpersonal and written communication skills, a good understanding of the Transition Model and of the issues around Climate Change and Peak Oil.

2. Food Worker: £28,152 pa, 35 hours per week

3. Energy Worker: £28,152 pa, 35 hours per week

We are looking for 2 development workers specialising in the above. In addition to knowledge in the particular area of work, you will need experience in organising a range of events, producing publicity materials and galvanising a high level of community involvement, and a deep commitment to meeting the challenges of Climate Change and Peak Oil through facilitating meaningful social change.

All posts are time limited and are currently funded until end March 2011.

Application packs are available from:
